

June 13th, 2022

To Whom It May Concern,

We are excited that you are interested in the opportunity to obtain your Certified Medical Assistant certificate with Sarah Bush Lincoln and Lake Land College. SBL is excited to help you move your career into a new direction. Class size is limited; you must meet the following criteria to be considered for the program:

- Employee must have been employed with SBL for 90 days.
- Employee must commit to a year of employment with SBL after the completion of the CMA program.
- Employee cannot have a critical corrective action within the last 12 months.
- Employee must complete an 8 hour Job Shadowing at SBL with a CMA.
- Employee must complete an interview with the Lake Land College Medical Assistant Program Director.

It is important to submit the following information by July 1st, 2022 to Tracey McCord in Employee and Organizational Development. Applications will be reviewed by a committee to choose who will be selected by July 5th, 2022 to attend the first session of this program that starts August 22nd, 2022.

Please complete and submit the following:

- CMA Bridge Employee application form (enclosed)
- Agreement of Expectation (enclosed)
- LLC Intent to enroll (enclosed)
- Letter of recommendation from your current leader

Please submit all information to Tracey McCord in EOD. If you have any questions please contact Tracey at 238-4987 or via email at <u>TMcCord@sblhs.org</u>.

Sincerely,

Lorenzo Smith

Director of Employee & Organizational Development

#### **Medical Assistant Bridge**

#### NDP.MAP

The Medical Assistant Bridge is an accelerated program for qualified certified nursing assistants who wish to become a medical assistant. The program will prepare graduating students to function in the role of a Medical Assistant who will act as a liaison between the physician and the patient. Medical assistants are skilled healthcare workers who demonstrate their knowledge in both clinical and administrative areas including billing and coding, maintaining medical records, completing basic clinical assessments, recording vital signs, preparing patients for examination, collecting blood specimens, performing basic laboratory tests, preparing and administering medications and assisting physicians with treatment and/or minor procedures.

Summer Semester		Semester Hours

	Total	7.0
Fall Semester		Semester Hours
MAP 096	Capstone	3.0
MAP 084	Med Assist Pharmacology	3.0
	Total	6.0
	TOTAL HOURS	13.0

\_

Class will meet every Tuesday from 4pm-8pm in the Education Center at Sarah Bush

## LAKE LAND COLLEGE

# Medical Assisting Bridge program Course Descriptions

### **Summer Semester:**

#### Clinical Skills (MAP 092):

This course prepares a CNA to perform the various clinical skill sets of the medical assistant.

On the first day of class the instructor will meet with each student and go over the basic CNA skills and the student will be checked off on these skills.

- Nutrition and wellness- label reading, patient education and health promotion
- Medical history- obtain patient history, formulate chief complaint, identify abnormal behavior patterns
- Physical exam assistance- assist with physical and specialty exams, demonstrate proper body mechanics,
- Sterilization and surgical instruments- identify common instruments, disinfection and sterilization techniques, autoclave
- Minor office surgery assistance- assist with minor office procedures, sterile field technique, demonstrate removal of sutures and staples
- Lab testing- safety measures in the lab, specimen collection, quality control measures
- Electrocardiogram- perform EKG's, recognize lethal rhythm strips
- Phlebotomy- identify problems associated with venipuncture, prepare and demonstrate a venipuncture, pediatric phlebotomy, proper handling of specimens after collection
- Emergency procedures- assist with medical emergencies, discuss general rules for emergencies, discuss common office emergencies.

#### Med Assist A&P (MAP 094):

This course covers all major body systems, structures, anatomy and physiology, medical terminology, common diseases and diagnostic testing associated with the body systems.

 Cells, skeletal, cardiovascular, urinary, respiratory, gastrointestinal, endocrine, reproductive, blood & lymph, nervous, and muscular.

#### Fall semester:

#### Capstone (MAP 096):

This course covers managed care delivery systems, front office procedures, ethical and legal issues and test taking strategies and study techniques for the certification exam.

- Office interactions- office politics, workplace harassment, office safety, etc.
- Managed care delivery systems- discuss the different systems, terminology associated with various insurance types
- Front office processes- accounts payable, invoices, party claims, diagnostic coding
- Ethical and legal issues- scope of practice, negligence, HIPPA
- Exam review- test taking strategies, study techniques, online practice exams
- Essentials for employment- time management, professionalism, etc.

#### Pharmacology (MAP 084):

This course introduces concepts and applications of pharmacological principles, drug classifications, calculations of drug problems, and procedures of medication administration.

- Principles of pharmacology- identify drug name and categories, usual dosages and side effects, rules/ responsibilities regarding medication administration
- Pharmacology math- calculate dosages, identify parts of the drug label
- Medication administration essentials- demonstrate proper technique, administer oral medications, administer injections
- Pharmacology- learning the top 100 medication you will see in a medical office (what these medications are for, generic and brand name)

# **CMA Bridge Employee Application Form**

Student Name (Legal Name):
SBL Employee #:
Position Title:
Primary Department:
How long have you been an employee with SBL?
How many TOTAL years have you worked as a CNA?
Have you worked as a CNA in the last 2 years?
Have you had a Critical Corrective Coaching in the last 12 months?
Will you commit to pursuing work as a CMA at SBL upon passing the CMA program?
Employee Signature and Date

#### **Agreement of Expectation**

SBL is excited to help you move your career into a new direction. Please review the following expectations for those participating in this year's CMA program:

- Class participation and attendance are both required.
- If you withdraw from the course, you are required to reimburse SBL the cost of tuition.
- If you fail the course, you are required to reimburse SBL the cost of tuition.
- If you do not accept a position at SBL as a CMA within 90 days, you are required to reimburse SBL the cost of tuition.
- If you leave SBL before your one year commitment post program, you are required to reimburse SBL for the cost of tuition. This includes termination.

In the event that one of these should occur, and the repayment is not made either on or before my termination date, I authorize SBLHS to deduct the reimbursement amount due from my final paycheck.

I understand that this agreement does not represent an employment guarantee and further agree that all other terms and conditions of my employment shall be consistent with the established policies and practices of Sarah Bush Lincoln Health Center.

# Complete these steps by April 1 of the application year.

Ш	as the academic program. This will ensure you are assigned a medical assistant academic advisor It will also generate a Laker email account; prospective students are expected to check this email account on a regular basis for correspondence.
	If applicable, send college transcripts to Admissions & Records Office. If courses have been completed at another institution, be sure to request a "Transcript Evaluation" for AAS.MAP.TRK or "CRT.MAP.TRK" from Admissions & Records Office to ensure courses transfer.
	Complete a Medical Assistant Application indicating interest in the Medical Assistant – Associate Degree Program or Medical Assistant – Certificate Program. These are available online at the Lake Land College website. Select Admissions, Special Admission Programs, scroll down to the desired program and select, scroll to find the 'Start application process and view program information' link. Receipt of this form will prompt the department to start a file and correspondence will begin.
	Email High School Diploma or proof of GED to the Admissions and Records office, admissions@lakelandcollege.edu.
	The department will review student information to determine eligibility for the program. Students are considered eligible by completing one of the following:
	<ol> <li>Needs satisfactory scores in 2 of 3 areas of English, Reading and Math on the Lake Land College placement test, ACT/SAT (tests valid for 5 years) <u>OR</u> by completing college coursework. To schedule placement testing, call the Tutoring and Testing Center at (217) 234-5301.</li> </ol>
	<b>English:</b> ACT 19+, SAT 480+, Lake Land College placement 64+, completed ENG 007 (Composition Skills) or higher with grade 'C' or higher
	<b>Reading:</b> ACT 19+, SAT 480+, Placement test 79+, completed RDG 050 with grade 'C' or higher (or completion of 30 college credits in good standing)
	<b>Math:</b> ACT 19+, SAT 500+, and Lake Land College Placement 57+, completed MAT 005 (Beginning Algebra) or higher with grade 'C' or higher
	OR
	2. Currently working as a healthcare professional with verification of certificate/licensure and employment status. Examples include but are not limited to: Certified Nurse Assistant, Phlebotomist, EMT-B, Physical Therapy Assistant, Dental Hygiene, Radiology Technologist, Paramedic.
	*Students must email current certification/license and completed Employment Verification form to hcox@lakelandcollege.edu. To access the Employment Verification form go to lakelandcollege.edu, select Admissions, Special Admission Programs, select desired program, and scroll to find the 'Start application process and view program information' link.
	Within 2-3 weeks of receipt of completed Medical Assistant Application Form, applicants will be notified via Laker email regarding eligibility for the program.
